

# Sew Practical 4D Software Camp

Myrtle Beach was chosen for the location for Sew Practical 4D Software Camp because it is easily accessible by air or car. It is an absolutely beautiful location and the Dayton House is a good choice for our event. There are lots of tasty restaurants to choose from for dinner. Breakfast is one block away or you may choose to eat in your room.

We will break for two hours for lunch so you will have time to take a nap, shop or a walk along the beach so you can be refreshed for the afternoon class.

Myrtle Beach offers great shopping, shows and golf. There is plenty for your spouse to do if they accompany you.

## Itinerary

### Day 1:

9 am - 12 pm Setting up the software to your preferences.

2 pm - 5 pm Creating designs and previewing them.

### Day 2:

9 am - 12 pm Learn how to create monograms and play with lettering.

2 pm - 5 pm Exploring 4D Font Digitizing.

### Day 3:
